

## Creative Ideas for Easter Day

- Set a place at your table for Jesus!
- Decorate an Easter egg in your own way. Will your egg be closed or open (you could cut a jagged or straight line across the egg to show its opening)? Will there be a chick inside? Or will it be hollow like the empty tomb? Use the egg template if you like.
- Make an Easter card to send to someone to celebrate that Love is stronger than everything!
- Make a paper chain from strips of paper to celebrate Easter.  
<https://www.hobbycraft.co.uk/ideas/papercraft/how-to-make-paper-chains>
- Make a picture or collage of the empty tomb. They may even like to add angels, Jesus' friends or the Risen Jesus there. Use the empty chain template if you like.
- Make one of the angels from the story. Use the angel template if you like, but remember to use your own imagination for what the angels look like!
- Make an 'Alleluia! banner' for your home! Celebrate the joyful shout of Easter!
- Decorate a stone to show the Easter stone that rolled away.
