

Here in our home now, Jesus is here with us
Here in this room now, Jesus is here with us
Here as we sing together, Je-e-sus is here with us
To laugh with us, to cry with us, to love with us right here.

Lead the children in curling up on the floor or crouching.

When all the world was sleeping

and the sun had gone to bed . . .

up jumped Lord Jesus *jump up with hands in the air*

and this is what he said: *hands out, palms up*

'I am risen, risen, risen, *wave hands high in the air*

I have won us a new start! *rolypoly 'New Start' sign over head*

I am risen, risen, risen, *wave hands high in the air*

I have won us a new start! *rolypoly 'New Start' sign over head*
