Getting Ready to Open the Bible: Jesus, open up my eyes

© Sharon Moughtin-Mumby

Jesus, open up my eyes. Alleluia! Trace a cross between your eyes or point to your eyes Jesus, open up my lips. Alleluia! Trace a cross on your lips or point to your lips Jesus, open up my heart. Alleluia! Trace a cross on your heart or point to your heart Jesus, help me hear your voice. Alleluia! Cup your hands behind your ears.

NB I'm not sure who has permission for Allelu, allelu and the words are very easy! so just leave without a words button. Thanks
