

The Sorry Song

With my hands on my head,
I remember the things I've thought today,
I remember the things I wish I'd thought a different way.

I'm sorry, I'm sorry, I
wish I could start again.
I'm sorry, I'm sorry,
I wish I could start again.

With my hands on my mouth,
I remember the things I've said today,
I remember the things I wish I'd said a different way.

I'm sorry, I'm sorry, I
wish I could start again.
I'm sorry, I'm sorry,
I wish I could start again.

With my hands on my chest,
I remember the things I've done today,
I remember the things I wish I'd done a different way.

I'm sorry, I'm sorry, I
wish I could start again.
I'm sorry, I'm sorry, I
wish I could start again.
